"I have been a Capitol customer for about 8 years now. They have always treated me very well. We LOVE the online ordering & quoting that is available. I can bid my jobs 24/7 and do it from the comfort of my office. Capitol has been instrumental in the past growth & success of my company. I highly recommend them." – Prince's Fences, LLC

"The mark of a great vendor in any industry is the ability to overcome mistakes. On the rare occasion that Capitol leaves off an item on a delivery, they have it delivered to our job site within 24 hours, but most of the time the same day. Capitol's actions speak louder than any other vendors' words. Their commitment to delivering quality fence materials is the reason we have come to rely on them for over five decades." – Rio Grande Fence Company, Inc.
